

TTLL Scoreboard Instructions SingleScore App Based Controller

Step 1 – Download SingleScore App

Step 2 – Turn on scoreboard W1=Concession W2=Tower P1=Tower (breaker box) P2=Tower (upstairs)

Step 3 – Wait about a minute for 0 – 0 to appear on the board

Step 4 – Open the app and make sure you allow it to track your location.

Step 5 – It should find the W2 scoreboard. Choose "Control" and you should have control.

Step 6 – Choose Varsity Model 314 in the "Settings" tab.

Step 7 – You can add team names in the "Score" tab. Enter the names and hit "Save".

Step 8 – Go to the "Scoreboard" tab and begin keeping score

- Increase numbers by tapping.
- Decrease numbers by swiping down.
- Clear balls/strikes/outs by swiping left to right across them.

** To monitor from your phone** Follow steps 1-5 and choose "Follow" instead of "Control" in step 5.
